

ECO-FLEX™ RTPV

**Polymer Blends
Presentation**

Recycling with ECO-FLEX™ RTPV Thermoplastic Elastomer

Polymer Blends Market

An Unusual Way to Cut Costs

SYNESIS

TARGET POLYMER BLENDS APPLICATIONS

ECO-FLEX RTPV is Fully Compatible With Virgin Olefinic Polymers Such as Polypropylene and Santoprene and Can Be Blended At High Levels (30-50%) For Impact Modification and/or for Cost Savings (20-50%)

No Compounding Required
